Dear Perry,

Many thanks for your February 6th letter. I apologize for continuing to be noncommittal, but at this point long-range plans will not bring me to the Cleveland area. I do appreciate your continued interest, however, and if my schedule changes I will be back in touch.

Thanks again and all the best.

Yours,

Dear Stan:

How about the second half of 1980? September, October, November, December?

I'm putting something of the Chi Psi/Phi Psi rushing squeeze on you because we - that larger audience in Cleveland - want very much to have you do a City Club Forum.

I also appreciate very much your holding open that alternative for a date in the first half of '80 if anything should bring you near Cleveland on a Friday.

The Forum Committee meets again this month on the 19th. If you could before that time reach into your signal-flag bag and hoist even a tentative affirmative on the starboard halyard to the second half of '80, I'd be very grateful.

It is nice to be in touch. You can tell I want to push for a hand-clasp with you and an address from you this year if at all possible.

Yours,
